

The logo for 'OUTDOOR LASER TAG' is centered on the page. The word 'OUTDOOR' is in a bold, black, sans-serif font with a slightly distressed or stencil-like appearance. Below it, 'LASER TAG' is written in a similar font. A red horizontal line runs through the middle of the text, starting under 'LASER' and ending under 'TAG'. At the end of this line, on the right side, is a black circular icon containing a white crosshair, resembling a laser sight or a target.

OUTDOOR LASER TAG

Here are our rules for safe play to help protect both players and the equipment:

1. 5' Distance between players. All players must maintain a minimum of 5 feet between them and opposing players during play. No physical contact of any type is allowed with other players.

2. No climbing. All players must stay on the ground, and no climbing is allowed on the inflatables or anything else.

3. Be aware of your surroundings. We play in an environment that may not be familiar to you so please use common sense as you are playing and look around carefully as you are moving about and playing.

4. Keep all equipment off the ground and treat it carefully. Our gear is very expensive, so in order to keep it in good working condition for you and others to enjoy we ask that you keep it off the ground at all times. If you need to use both hands for something like tying a shoe, please ask a friend or one of our staff members to hold your gear. If you want to lie down, do not put the gun on the ground - please kneel down first.

5. Running:

Outdoors: No sprinting/all out running.

We ask that you keep your movements to a light jog or walking to minimize trips, slips and collisions.

6. Use family friendly language on the field at all times. We encourage communication, but verbal abuse of any kind is not tolerated.

7. Notify staff immediately of any safety concerns or equipment issues you may have. We want to make your experience is as awesome as it can be, please do not be bashful to ask for help - it's why we're here!
